

Capstone Project Ideas

Quantum Machine Learning

1. Quantum Disease Prediction System
 2. Hybrid Quantum Image Classifier
 3. Quantum Spam Email Detection
 4. Quantum Customer Segmentation Platform
 5. Quantum Recommendation Engine
-

Quantum Finance

6. Quantum Portfolio Optimization System
 7. Quantum Investment Strategy Analyzer
 8. Quantum Risk Assessment Dashboard
 9. Quantum Asset Allocation Optimizer
 10. Quantum Financial Decision Support System
-

Quantum Cybersecurity

11. Quantum Secure Messaging Platform
 12. BB84 Quantum Key Distribution Simulator
 13. Quantum Network Security Analyzer
 14. Post-Quantum Cryptography Migration Toolkit
 15. Quantum Authentication System
-

Quantum Optimization

16. Quantum Traffic Optimization System
 17. Quantum Delivery Route Planner
 18. Quantum Warehouse Optimization Platform
 19. Quantum Manufacturing Scheduler
 20. Quantum Supply Chain Optimizer
-

Quantum Computing Core

- 21. Quantum Circuit Visualizer & Optimizer
 - 22. IBM Quantum Hardware Performance Analyzer
 - 23. Quantum Circuit Noise Analysis Dashboard
 - 24. Multi-Qubit State Explorer
 - 25. Quantum Algorithm Benchmark Suite
-

Quantum Communication

- 26. Quantum Communication Simulator
 - 27. Quantum Teleportation Visualization Platform
 - 28. Quantum Network Protocol Simulator
-

Quantum Education

- 29. Interactive Quantum Learning Studio
-

Hybrid Quantum Applications

- 30. Quantum Decision Intelligence Platform
-

Healthcare & Life Sciences

- 31. Quantum Drug Molecule Similarity Analyzer
 - 32. Quantum Genome Pattern Matching System
 - 33. Quantum Medical Resource Allocation Optimizer
-

Smart Cities & Transportation

- 34. Quantum Smart Traffic Signal Controller
- 35. Quantum Public Transport Route Optimizer
- 36. Quantum EV Charging Station Planner

Energy & Sustainability

- 37. Quantum Smart Grid Load Optimizer
 - 38. Quantum Renewable Energy Distribution Planner
 - 39. Quantum Power Consumption Forecasting System
-

Logistics & Operations

- 40. Quantum Airline Gate Scheduling System
 - 41. Quantum Container Loading Optimizer
 - 42. Quantum Emergency Response Dispatch System
-

Artificial Intelligence

- 43. Quantum Feature Selection Framework
 - 44. Quantum Anomaly Detection System
 - 45. Quantum Sentiment Analysis Engine
-

Networking & Communication

- 46. Quantum Internet Routing Simulator
 - 47. Quantum Satellite Communication Planner
-

Scientific Computing

- 48. Quantum Molecular Interaction Visualizer
 - 49. Quantum Experiment Design Assistant
-

Education & Developer Tools

- 50. Quantum Circuit Learning Playground
